

MIGRATION

The Demographic Aspects

ORGANISATION FOR ECONOMIC CO-OPERATION AND DEVELOPMENT

CONTENTS

I.	INTRODUCTION: DEMOGRAPHIC CHALLENGES AND MIGRATION POLICIES	7
II.	DEMOGRAPHIC IMPACT OF POST-WAR MIGRATION IN SELECTED OECD COUNTRIES	15
	<i>Hervé Le Bras</i>	
	Annex: Sources	27
III.	EVOLUTION OF FERTILITY OF FOREIGNERS AND NATIONALS IN OECD COUNTRIES	29
IV.	OFFICIAL POPULATION PROJECTIONS IN OECD COUNTRIES: WHAT THEY REVEAL ABOUT INTERNATIONAL MIGRATION PROSPECTS	43
	<i>Hania Zlotnik</i>	
V.	SIMULATIONS OF DEMOGRAPHIC OBJECTIVES AND MIGRATION	57
	<i>Christine Wattelar and Guido Roumans</i>	
	Annex: Methodology	65
VI.	IMMIGRATION AND DEMOGRAPHIC CHANGE IN CANADA	69
	<i>David Foot</i>	
VII.	IMMIGRATION AND DEMOGRAPHIC CHANGE IN AUSTRALIA	73
	<i>Reginald Appleyard</i>	

LIST OF TABLES

Chapter II		
II.1	France: Actual population and closed population, 1983	17
II.2	Effects of migration on population structure	18
II.3	Population growth in the post-war period	19
II.4	Effects of migration on population structure and total population until about 1970	23
II.5	Correction factors used for adjusting national and non-national fertility rates in France	24
II.6	Fertility rates by five-year age group in France	24
Chapter III		
III.1	Foreign births and foreign population	30
III.2	Breakdown by nationality of births of foreign origin for five European OECD countries	33
III.3	Total fertility rates of nationals and foreigners	36
III.4	Total fertility rates of immigrants of Mediterranean origin	36
III.5	Total fertility rates according to mother's nationality and length of stay in France	39
III.6	Canada: Total fertility rates according to mother's birthplace	39
Chapter IV		
IV.1	A comparison of the assumptions made in official population projections	46
Chapter V		
V.1	Summary of the assumptions underlying each simulation	66
Chapter VI		
VI.1	Canada: Demographic growth, fertility and immigration	69

VI.2	Canada: Proposed age-directed migration intake	71
Chapter VII		
VII.1	Dependency ratios under selected migration scenarios, 1983 and 2001	75

LIST OF CHARTS

Chapter II		
II.1	France: Age pyramid, 1983	17
II.2	France: Age profile for the input from migration, 1983	17
II.3	Actual population and closed population	21
II.4	Age profile	22
Chapter III		
III.1	Percentage of foreign births	31
III.2	Total fertility rates	34
III.3	Total fertility rates of nationals and foreigners	35
III.4	Evolution of Turkish fertility in three host countries	37
III.5	Evolution of Yugoslav fertility in three host countries	37
Chapter V		
V.1	Trend of crude birth rates and crude death rates with a fertility assumption of 2.1 children and present mortality	58
V.2	Expected annual growth rates without immigration	59
V.3	Annual immigration needed to avoid decline	60
V.4	Projection of the elderly dependency ratio	61
V.5	Comparison of three immigration policy scenarios	63
